## **Fournier RF 5 Motor Glider; Dunkeswell hangar based**

A 1/6<sup>th</sup> share in this gentle, elegant, aircraft is available. G-BACE is well maintained by a friendly syndicate. A comfortable touring aircraft, she has been flown to the southern Alps, and to many parts of the UK. She will cruise at 85 knots, and can climb in excess of 10,000 feet. Equipped with radio and GPS

Flying Cost: Around £25 per hour wet – or less if you exploit her ability to glide, either engine-off or engine at tick-over.

£60 per month towards hangarage, insurance and the regular checks.

Reason for Sale: reluctantly, owing to skewed vision in one eye, due to age.

# £4,500
